“ Penny is truly going to be missed at the St Regis. She was more than a tenant, she was more like family. As a member of the maintenance staff I had the opportunity on countless and joyful occasions to have light hearted conversation laced with a little joking around with her, which she really loved to do. I never left her presence without a smile. Her stories were endless and always left you wanting for more. It's hard to know how many lives she has effected in this way but I am pleased to be among them. PENNY YOU ARE MISSED ! Sincerely, Dan S.

“ Ms Penny was the coolest lady. I am so sad to hear of her passing. She would come to the box office at the Holland Center in Omaha just to talk. It seemed as if she could feel that i was having a less than stellar day because every time i would see her car pull up i would get excited. Sometimes she would surprise me & sometimes she would call & see if i was there..She even treated to lunch on my birthday one year.. We went to Ms Pub; she knew everyone by name & they all loved her. Wow. My heart is heavy but i rejoice because i know she is singind & dancing with her main man Norman in Heaven. May God bless & keep her family. Sincerely Dani Cleveland Omaha Ne
