“ I was saddened to hear this news tonight. A flood of memories came back to me of Sarah as we grew up. They range from time in classrooms, choir, band, sports, recess, and so many other parts of my childhood. I can find her smiling face in so many of those contexts and it helps to remember happier times.

My family and I send our condolences and prayers of comfort to her family and friends.

“ I worked with Sarah at Methodist Hospital. She was one of the first people I could truly call my friend after moving to Omaha. I loved working with her. We have kept in touch through Facebook through the years. I wish I had made more of an effort to see her in person. You think you have all the time in the world. This just shows we should treat everyday as if it's our last. I pray that your family finds peace in the days to come. Good byes are not forever, goodbyes are not the end, they simply mean I'll miss you until we meet again (unknown author). Rest in peace Sweet Sarah!

“ Sarah sat at my table when she made the Christ Renews His Parish Retreat several years ago. It was a wonderful week-end with Sarah. Sarah continued with our weekly meetings for the next six months. She was very special to me. I will always call her my friend. We never spent time together but were friends on Facebook. Sarah had a strong faith and love for our Lord! I so admired her courage and strength! Now she is at peace with her Lord. She loved her family! You have my deepest sympathy.
