“ I’m very sorry for your families loss of Sharon. She was so fierce, beautiful and kind. My memories of her in her little racing red Escort Gt pulling up to go out for an amazing night are numerous. We had so much fun together and so many firsts. Like whipping cookies on the church hill, playing ghost around midnight, babysitting together, all of us girls riding around on a Sunday afternoon out to Davis or the night before you went to nanny and we hit that pig of all things! I always felt special when I was spending time with you, because your zest and love for life was contagious. Your strength was also inspiring because of your painful and difficult days. I was always in awe of how you could go through a very bad time and then be back beautiful as ever ready to enjoy life. I am and will always great full for my memories of you!
