“ *Thank you everyone so much for the warmth of friendship you gave her. My brother and I came to collect her and her things on February 10th, what I had thought would be a completely sorrow filled experience turned out to be a happy reunion between loved ones and new life long friendships were made . There was so much laughter and visits to wonderful memories of her. For such a cold place, you people showed me how warm hearted y'all are. We did not have a service for her but tonight before 9pm everyone is asked to buy a helium balloon that reminds them of her and release it. Take a picture or video and load it to her facebook page. We are turning into a memorial page.*

“ *She was a hard worker and a good friend. I am bless to have worked with her. She will be really missed. I'm glad to have called her a friend. I was not a close friend. I hope she is at peace. Love from a friend Kayla Steever*

“ Love and prayers going to Stephanie's children and grandchildren! She was so proud of all of you! Those who know Stephanie know of her love for animals. I met her a couple of years ago when she adopted one of our puppies. We became fast friends. We never seemed to run out of things to talk about! I will miss our long phone and messaging conversations! She was a warm loving and outgoing person and will be missed by many!

“ To Stephanie's children and grandchildren. I am so sorry for your loss, total shock. I met Steph when she was staying at the motel after the fire, we got to be pretty good friends during her visit. I was glad she came to work here the past week, she was a perfect fit. She was a wonderful lady, fun and funny.... You have so many good, great memories in your heart, keep them there, you will need them. Bless all of you....Patt
