“ I have not seen Steve for 20 years, we played softball together, he was a great teammate and the memories are to numerous to mention. One memory in particular always makes me laugh, on game night I came over to pick up Steve only to see no one was home but his house was unlocked. That was a mistake on their part! I took it upon myself to trash his house, hid light bulbs, take labels off canned goods, put some of their delicate clothes in the freezer....you know....pretty much childish behavior. Well Steve and his girls returned the favor. I lived just around the corner and while I was away Steve and his girls trashed my house! Steve told me later he never saw his girls have so much fun! I have missed Steve over the years but the memories last forever. Please accept my sympathies in your loss.

“ Heidi, kids, Lori , Amy & Families, We cannot express how saddened we are by Steve's passing. Life will not be the same in Arcadia. He was a great friend and always had a smile. We had the best times with Steve & Heide on vacation when we could take them away from their work.. even if we couldn't fly. Heide we are there for you whenever you need shoulder. Rest in peace good friend. We have yet to witness a greater Iowa Cyclones Fan than Steve was and always appreciated his good sportsmanship between the Hawks and the Clones. Lots of Love Bruce & Mae
