“ Teresa was a lovely woman, and I know that she will be missed. She was always "Tina's mom" to me. I remember as a little girl, that she had the best laugh and her hair was always perfect. That never changed! I was so sad to hear that she had left us, but I am sure she is enjoying her new peace, laughing up a storm. My thoughts and prayers are with her family and friends as they struggle with their loss.

“ I know that Teresa was a one of a kind lady I will never forget...she had a unique personality and always loved my family as her own. I had spent many hours with Teresa over the years, sitting with her all day at the house, living next door for a couple of months, and was her IT person when she needed me, I was just a phone call away....Prayers to the Renze family and know that Teresa has been received into heaven and is without pain and without illness.
