Born in Sheldon, Iowa to Tom and Monica Kruse. He spent his early years in Spencer Iowa before the family moved to Carroll, Iowa. Tom graduated from Kuemper High School in 1980. He was a member of the golf team that played at the State Golf Tournament. He graduated from LaMar University in Beaumont, TX in 1984 with a degree in Finance with honors and was a

member of the Men's Golf Team. He was also a member of a little league all-star team that won in Iowa and eventually lost in Nebraska but was a fun memory of his.

After graduation he came back to Carroll and started his career with Norwest Financial that later merged with Wells Fargo Financial which took him to the Des Moines area.

Throughout his career with Wells Fargo, he held different positions that led him to move to Sioux Falls, South Dakota, Denver, Colorado, and Las Vegas, Nevada before coming back to Des Moines where his last position was a Senior Vice President of Home Mortgage. He retired after 33 years at the age of 55 and moved to Arizona.

Tom cherished time with family and friends. He loved to golf and enjoyed horse races (which his grandpa Emmett Noonan introduced him to). His Fridays were filled with analyzing the horses and getting his bets in. He wanted to see all the major tracks in the United States and four years ago made it to the last one in Saratoga Springs NY. He also enjoyed many golf trips with his brothers and his Uncle Dave Liddell.

He loved his group of golf buddies at Echo Valley Country Club in Norwalk and many coworkers having cocktails with them after work. He was a lifetime Iowa Hawkeye fan. He had a big smile and zest for life, and he always seemed to meet new friends everywhere he went. He had tremendous pride for his nephews and nieces - always wanting to hear their interests and giving them career and financial advice. So much so that he recently bought a home back in Carroll to spend more time with his parents and watch the great nephews and nieces in their activities.

Tom is survived by his parents, Tom and Monica Kruse of Carroll. Siblings,

Jeff (Sue) Kruse of Mesa, Arizona, Tammy (Vern) Coles of Ankeny, IA, Terry (John) Pudenz of Mesa, AZ, Julie Kruse of Dexter, IA, Marg (John) Perrin of Carroll, IA, and Jim Kruse of Carroll, IA.

He is also survived by his nephews and nieces, Adam (Ashley) Wuebker, Kendall (Matt) Cleveland, Tyler (Maggie) Redenbaugh, Alicia Kruse, Austin (Hailey) Coles, Kylee Kruse, Noah Kruse, and Dalton (Kate) Perrin. He had eight great nephews and nieces along with many aunts, uncles, and cousins.

He is reunited with his brother Joe Kruse in heaven along with his grandparents, Floyd and Jessie Kruse and Emmett and Veronica Noonan. As well as other uncles, aunts, and cousins.

“ Spin your comments are right on! Father Richter's homily at the Mass today was beautiful. Even though he did not know Tommy personally, he felt he got to know him by all the lovely posts made on this page. His parents and siblings should know everyone who knew him hold a special place in their heart by knowing Tommy Kruse. And this is coming from a kid from Breda! 😊. RIP my friend, you will not be forgotten. 🙏

“ To say that Tommy will be missed is an understatement. He was a true friend to so many. He was genuine. He was kind. And no matter how long it had been since we had seen each other last it was as if no time had passed. I will miss that smile with a little chuckle at the end. RIP old friend.

“ I was very saddened to hear of Tom’s passing. There are a lot of us Wells Fargo people who have wonderful memories of the Kruser/TBK. He was a great people person leader and very approachable. I worked with Tom in Des Moines and LAS Vegas. We had good times at work and a lot of great times out of work. My thoughts and prayers are with the Kruse family and all his close friends.

“ Our sympathies go out to the Kruse family on the loss of someone so special so young. What a joy it was to be Tom's golf coach at Kuemper during his high school years. You could always count on Tom to bring such a positive competitive attitude to the team those four years but more importantly a true gentleman and joy to be around on and off the course. He made us all better.

Keep it in the fairway Tommy!

“ I am so sorry to hear of Tom's passing. He was a joy to work with for so many years, an absolute wealth of knowledge and always had a smile. You never wanted to be invited a 'Come to Kruse' meeting when something wasn't going right but he was always the first to jump in to help, to provide additional explanation or resources to support your needs. I worked with Tom for many years in many geographic locations and the lives of everyone that he touched are better for having known Tom. We will truly miss him.

“ Tom was an absolute joy to be around. His work in CLAO getting Loans approved was absolutely LEGENDARY. Tom cared so much about WFF and brought a fantastic attitude and smart Business sense every day. I always tried to listen when Tom talked about potential problems that made his job harder. He rarely complained so when he talked, I paid attention. I haven't seen Tom since I retired but I will still miss him dearly. He was a wonderful guy to be around and I have some incredible memories of dinners together in Las Vegas. Any day spent with Tom made LIFE on this planet special. So many of us loved Tom and we are deeply saddened by his passing. Thank you Tom for always being there for my Division. You were truly a special man.

“ Tom was as kind and caring man as you will ever meet. Love of family and friends made his life a joyful one. He might have just lost in a photo, or missed a short putt and you wouldn't know it. Tom was ready for the next chance to make a memory with those around him. It seems he ended every conversation with his special chuckle. To know him was to love him, for the big-hearted and beautiful man, he was. Rest in Peace and may the heavenly seas be calm for the "Ship".

“ *I worked with Tom at WFF. He was such a great guy. Working with people like Tom made work enjoyable. I am a Hoosier fan and so he loved to razz me during basketball season. Our last emails were just this past Feb talking about the Hawkeyes and Hoosiers. My favorite memory is sitting in the Rio sports book during a work trip watching basketball and having a few beers. When I think of Tom a smile immediately comes to my face.*

“ I am so sorry to hear of Tom's passing. I will always remember him as a great and fun guy who was full of life! We had great times when he came out to the East Coast when I was the Regional Manager there. One funny memory - We were in Boston for a meeting and he mentioned he would love to see Fenway Park, so we drove out to see it with a few others in the car. While there was no game at that time, the lights were all on. I joked with him that I had called ahead and had them put them on just for him. He wasn't totally sure if I was serious or not, so I took it a stop further and pretended to call Fenway and I thanked for putting on the lights so our guest Mr Kruse could see the park but go ahead and turn them off now. And right as I said that, the lights all went off., We had such great laugh over that and that is how I always think of Tom -laughing and enjoying life!

To Tommy's Family

I met Tommy my Freshman year at Kuemper. He was always so friendly and his smile was contagious. I was so excited when he asked me out for a date and enjoyed several more over the summer. After high school, I didn't see Tommy much but then about 5 years ago, several of us met for drinks. His smile, still contagious and that belly laugh, makes me smile right now. My heart aches that he was called home so young. My prayers for you all during this difficult time. Lisa Wuebker Anderson

“ I remember the day Tom joined my classroom at St Lawrence. We took attendance by saying our names and what day our birthday was. Since we were seated in alphabetical order and my last name began with a “C”, I said my name and that my birthday was December 5th. Tom shouted out, “my birthday is December 5th!” From that day on, he started a little competition with me to see who could wish the other happy birthday first. Then and over the years, I always looked forward to sharing a birthday wish with Tom. It brought me such joy!
Tom only had friends. His beautiful eyes, smile infectious and robust laugh automatically drew people to him. He never knew a stranger! A genuine kind soul! RIP, my dear friend.
Until we meet another day...❤️🙏

“ I worked with Tom and he was our neighbor when he lived in the Des Moines Beaverdale neighborhood. He watched our sons grow up and play sports in the backyard. We will always remember the Sunday when we had a new Priest at Holy Trinity and he asked everyone to introduce themselves to him after mass as they were exiting the church. Tom was right behind us and when Tom gave him his name, the priest said "Yeah Right" thinking Tom gave him a movie star name. Tom just smiled and laughed and we had a good laugh with him in the church parking lot. He will be missed.
